About me

My start in programming begins around April 2021, but my actual experience I would count from September 2021.

I am a technology lover looking for personal growth.

Contact me to know me better, I'm sure you'll love it!

Education

Bootcamp Soy-Henry

Start: September 2021

Completed: May 2022

Universidad del Litoral

Computer Engineering

Start: 2021 - Present

Skills

Tech

- HTML | CSS | Bootstrap | Styled-Component
- Javascript | React.js | Node.js | ContextApi
